**Cell shading:**

White: Data provision is mandatory.
Dark grey: Pre-filled by Eurostat. Non-modifiable data. It appears only for information. <b>If you need to change the non-modifiable data please contact Eurostat.</b>
Light grey: these cells usually contain formulas, but can be overwritten by the users as they are not locked; in case of prefilling, the formulas are substituted with the reported value.
Light blue (cyan): Data provision is voluntary.
Light orange: Footnotes (only to be filled-in when relevant)

(\*) The Commission encourages countries to provide voluntary data on the disaggregated amounts of Sales, Collection and Collection Rates for Lead (W160601), Nickel-Cadmium (W160602) and other batteries and accumulators (W160605); Eurostat acknowledges that the quality of voluntary data is not as high as expected for mandatory data.
